You have requested that your or your dependent's physical therapy visits be coded as "self-pay" services. By signing this form, you are acknowledging that you understand that the Provider will not be billing any insurance carrier for services provided, and that you are subject to the self-pay policies and guidelines of the Provider as listed below.

Note: The Self-Pay Program is not available to patients covered by Medicare.

Please be aware that:

- Self-pay services must be paid in full on the date of service.
- If you have health insurance that you are electing not to bill for services, you will likely not be reimbursed by your carrier nor be able to apply these payments toward your deductible.
- The Provider will not submit billing to your insurance carrier for previously completed self-pay visits if you choose to revoke your self-pay status at a later date.
