## ROLAND MORRIS BACK QUESTIONNAIRE

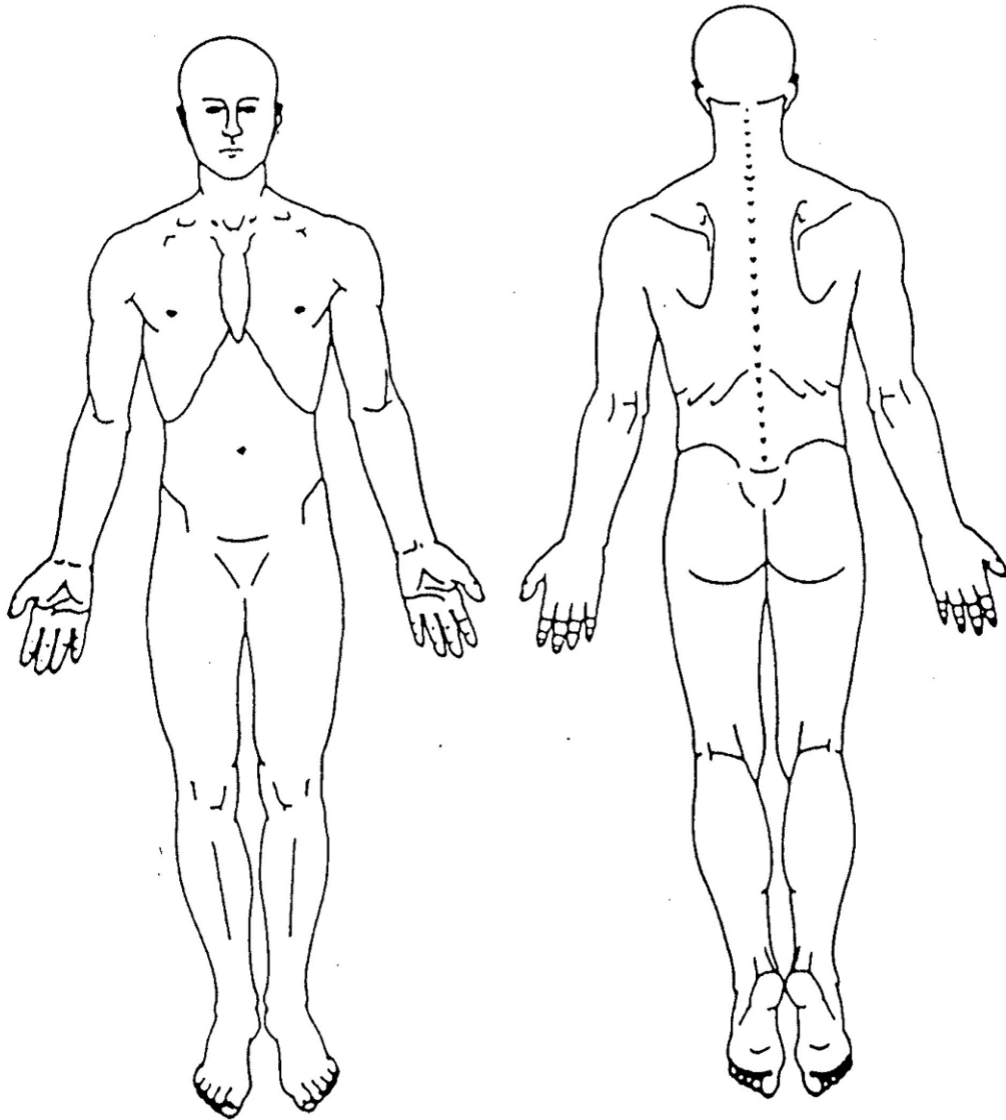

When your back hurts, it may be difficult to do some of the things you normally do. This list contains sentence that people have used to describe themselves when they have back pain. When you read them you may find that some stand out because they describe you today. As you read the list, if a sentence describes you today, put a check next to it. If the sentence does not describe you, then leave the space blank and go on to the next one. Remember, only check the sentence if you are sure that it describes you today.
