

CALL BOX MARKETING WALKTHROUGH

THE DASHBOARD

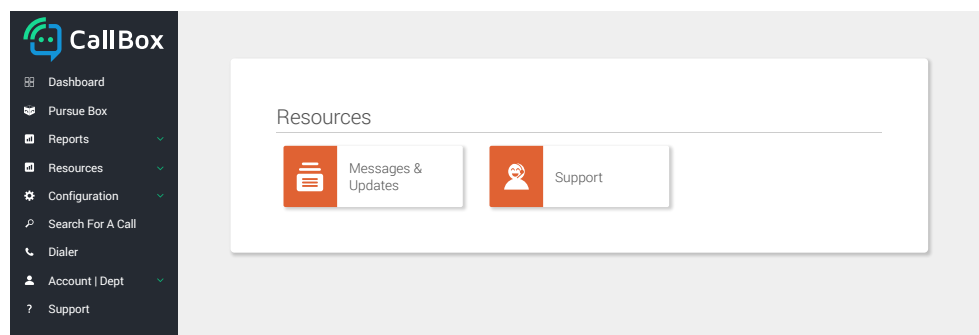

1

Log in at callbox.com. Use your unique username and password given for Call Measurement to login to the Call Box Marketing Platform.

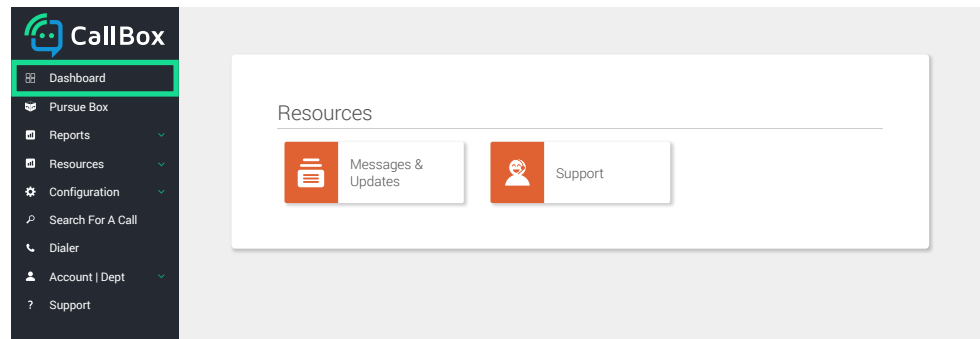

2

The first screen gives you any Messages / Updates and access to our support team.

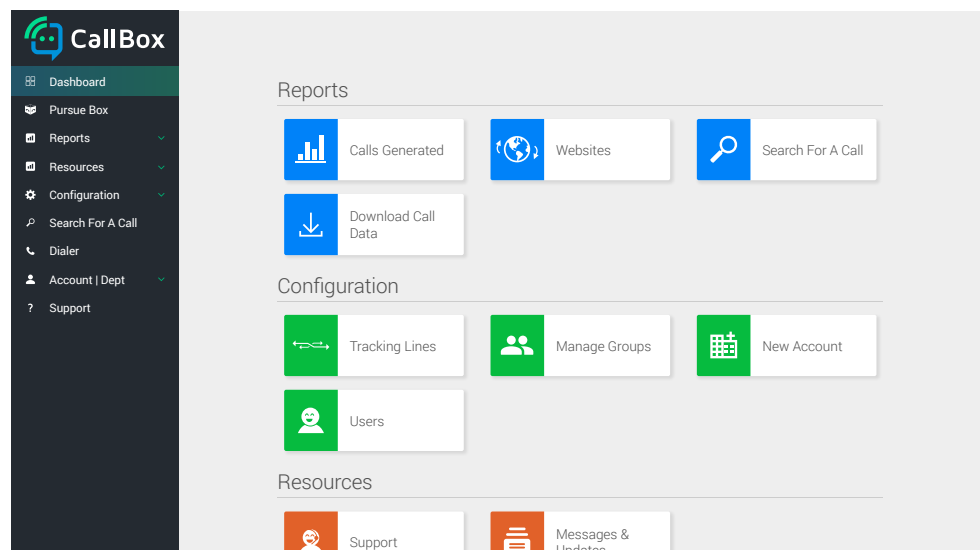

3

The top left corner has the quick link to the Call Box Marketing dashboard / homepage:

4

The dashboard takes you to the homepage.

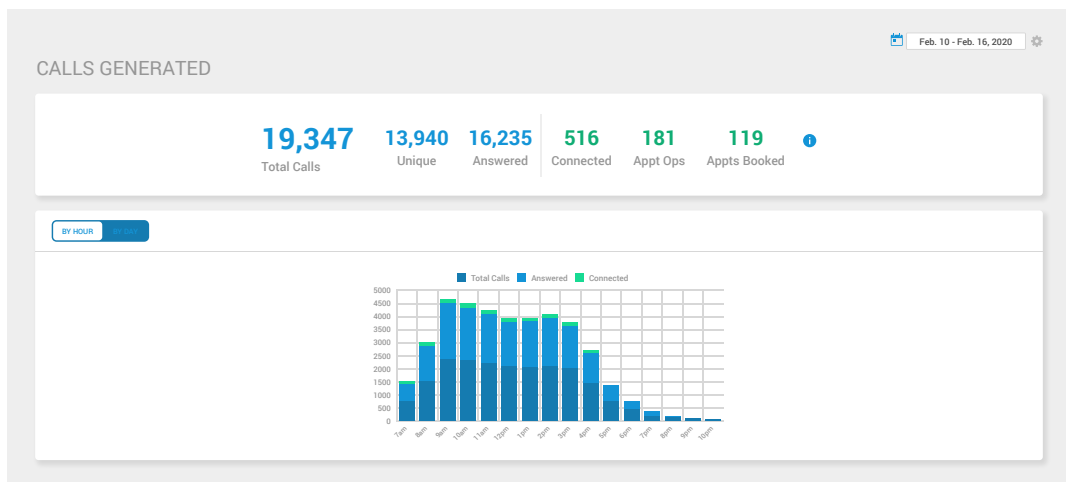

CALLS GENERATED

Calls Generated

Call Generated will give you total calls, unique calls, answer rate and any reviewed data we have available for your offices. It will show you the summary of when calls come in, what hour / day of the week, and when they get answered. You can view this same data office by office or by tracking line.

WEBSITES

Websites

The website pod gives you the ability to view website data. Website Calls Optimize, this pod would give you all of your website data, including referral source and UTM tagged information.

SEARCH FOR A CALL

Search For A Call

Search for a Call gives you the ability to find audio files across all offices. You can search for different call types, date ranges and/or specific offices. The audio files will pull with the typical audio information included.

SEARCH FOR A CALL

Select desired date range 03/01/2020 - 03/08/2020
