

## **THE LOWER EXTREMITY FUNCTIONAL SCALE**

| Patient's Name:  | Date:   |
|--|---|
| We are interested in knowing whether you are having any difficulty at all with the a | ctivities listed below because of your lower limb problem for which you are currently |
| seeking attention. Please provide an answer for each activity                        |   |

Today, do you or would you have any difficulty at all with:

|    |  | Extreme Difficulty or<br>Unable to Perform | Quite a Bit of<br>Difficulty | Moderate<br>Difficulty | A Little Bit of<br>Difficulty | No Difficulty |
|----|--|--|------------------------------|------------------------|-------------------------------|---------------|
|    | Activities   | Activity                                   | Difficulty                   | Difficulty             | Difficulty                    |               |
| 1  | Any of your usual work, housework or school actiivities    | 0  | 1                            | 2                      | 3                             | 4             |
| 2  | Your usual hobbies, recreational or sporting activities    | 0  | 1                            | 2                      | 3                             | 4             |
| 3  | Getting into or out of the bath                            | 0  | 1                            | 2                      | 3                             | 4             |
| 4  | Walking between rooms                                      | 0  | 1                            | 2                      | 3                             | 4             |
| 5  | Putting on your shoes or socks                             | 0  | 1                            | 2                      | 3                             | 4             |
| 6  | Squatting  | 0  | 1                            | 2                      | 3                             | 4             |
| 7  | Lifting an object, like a bag of groceries, from the floor | 0  | 1                            | 2                      | 3                             | 4             |
| 8  | Performing light activities around your home               | 0  | 1                            | 2                      | 3                             | 4             |
| 9  | Performing heavy activities around your home               | 0  | 1                            | 2                      | 3                             | 4             |
| 10 | Getting into or out of a car                               | 0  | 1                            | 2                      | 3                             | 4             |
| 11 | Walking 2 blocks   | 0  | 1                            | 2                      | 3                             | 4             |
| 12 | Walking a mile   | 0  | 1                            | 2                      | 3                             | 4             |
| 13 | Going up or down 10 stairs (about 1 flight of stairs)      | 0  | 1                            | 2                      | 3                             | 4             |
| 14 | Standing for 1 hour  | 0  | 1                            | 2                      | 3                             | 4             |
| 15 | Sitting for 1 hour   | 0  | 1                            | 2                      | 3                             | 4             |
| 16 | Running on even ground                                     | 0  | 1                            | 2                      | 3                             | 4             |
| 17 | Running on uneven ground                                   | 0  | 1                            | 2                      | 3                             | 4             |
| 18 | Making sharp turns while running fast                      | 0  | 1                            | 2                      | 3                             | 4             |
| 19 | Hopping  | 0  | 1                            | 2                      | 3                             | 4             |
| 20 | Rolling over in bed  | 0  | 1                            | 2                      | 3                             | 4             |
|    | Column Totals:   |  |                              |                        |                               |               |

| Minimum Level of Detectable Change (90% Confidence): 9 | noints  | SCORE: | /80 |
|--|---------|--------|-----|
| willing tever of Detectable Change (50% Collidence). 5 | politis | CONE.  | 00  |
